In consideration of the opportunity to observe and participate in the Village of Plainfield Police Department's (the "Department") "ride-along" program (the "Program"), with a member of the Department, which activity may place me in a position of danger and risk of personal injury and/or death, agree as follows:

1. I will ride in a police unit with a member of the Department during his/her tour of duty only on the date(s) and at the time(s) scheduled in writing by the Chief of Police or his designee.
2. In the event of any disturbance or emergency occurring in the course of my observation of or participation in the Program, I will not in any way interfere with or hinder an investigation or an arrest, and will not take any action to place myself in a position of further danger or risk of personal injury or death.
3. I hereby assume all risk of personal injury, death, property damage, and/or any other loss I may sustain arising out of, connected with, or in any way associated with my participation in or observation of any activities associated with the Program. I hereby fully release and discharge the Village of Plainfield (the "Village"), its officers, trustees, agents, representatives, employees and all other personnel from any and all liability, claims for injuries, including death, damages, personal injury, property damage and/or any other loss whatsoever that I may sustain arising out of, connected with, or in any way associated with my participation in or observation of any activities associated with the Program. This release, waiver and covenant not to sue are binding on my heirs and personal representatives.
4. I, my heirs, representatives, attorneys and assigns hereby further agree to indemnify, defend and hold harmless the Village, its officers, trustees, agents, employees and representatives, from any and all claims, losses, damages, causes of action, suits for injuries, and liability of any kind, including expenses of litigation, court costs and attorneys fees, arising out of, connected with, or in any way associated with my participation in or observation of any activities associated with the Program.
5. This Agreement shall not be construed as or deemed to be an agreement for the benefit of any third-party or parties, nor shall they have any right of action hereunder for any cause whatsoever.
6. I am prohibited from using any form of audio or video recording device in the course of any activities associated with the Program.
